INVITATION

Painting and Decorating section at Chamber of Craft and Small Business of Slovenia is organizing

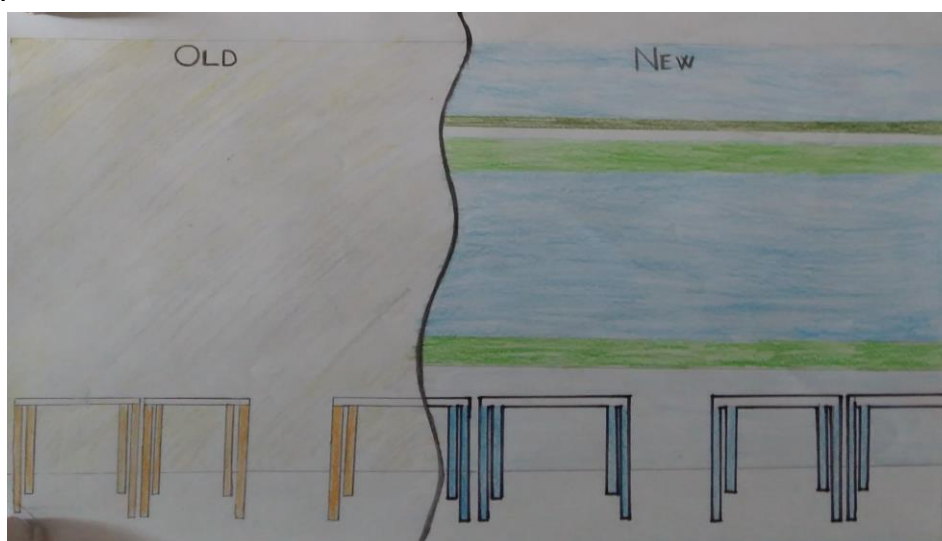

21th INTERNATIONAL TRADITIONAL HUMANITARIAN PAINTING CAMPAIGN

which will be held in: **Elementary school in Ormož, Slovenia**

When: **Friday, 29th November 2019**

We have the pleasure to invite you to **21th International Traditional Humanitarian Painting Campaign** which is organized by Painting and Decorating section at Chamber of Craft and Small Business of Slovenia (OZS). This year Campaign will be on **29th November**.

We will paint a part of the elementary school (for children between the ages of 5–14) in **Ormož**, a small town (only 12.000 habitants) in east part of Slovenia. Town is situated next to Croatian border and also quite close to Austrian border. We will paint classrooms, staircases and corridors, if possible also door frames radiators and pipes. This school could be a very good polygon for many kinds of the painters' knowledge. That is why we would be glad if we can host Painters contractors and/or Apprentices with trainers/tutors from European countries to work together with Slovenian painters and apprentices and to exchange ideas and experiences. This is how school children envisioned our painting campaign:
