General information

Painter's Guild in Slovakia is going to organize **2nd INTERNATIONAL HUMANITARIAN PAINTING EVENT** in nord and beautiful part of Slovakia in Dolny Kubin. Main participants are members from national Guild and invited are also students/apprentices from college Krásno nad Kysucou.

At hospital we will paint children's and toddler's ward. The wards are located on the 3rd and 4rd floor. Our task is paiting all rooms (walls with ceilings), door frames, corridors with socles/pedestals.

General partner for 2018 is company **PPG Deco Slovakia**, main partners are companies **Schuller Eh'klar a Knauf**; important partners are local goverment from Žilina, town Dolný Kubín and hospital DONSP Dolný Kubín.

The aim of this event is more visible painting craft (which is very important for our company) by helping others in our case the hospital.

Motto: „The color for happy child soul“
