General Information

THE LOCATION:

The wonderful city of Prague will be hosting the Trainers Camp and its participants, during the event, feedback and contributions around the project's outcome will be gathered by In Paint project coordinator and partners. A 2-days event that will be surrounded by one of the most attractive European cities. Baroque palaces, cobbled squares and a wide offer of attraction will accompanying the participants during these days.

THE SCHOOL STŘEDNÍ ODBORNÁ ŠKOLA JAROV:

During the Trainers Camp, the participants will have the possibility to visit the Secondary technical School [Střední odborná škola Jarov](#) seeing students and teacher at work, interviewing them around the topics that will be developed with the Erasmus+ In Paint project. It will be an interesting and motivating occasion to grab the point of view of young people, that is one of the most important aim of the project.

ACCOMODATION AND TRAVEL COSTS:

The hotel accommodation for the nights of 27th and 28th May will be offered by the Project's Partners Associations. The travel costs are not included.
